### INSTRUCTIONS ISSUED BY FBIHQ

INTERCEPTION OF COMMUNICATIONS

JUNE 17, 1972

On Saturday, June 17, 1972, when this case broke, SAC, Washington Pield, was telephonically advised by the extra-duty supervisor of the General Investigative Division, of Assistant Director Bates' instructions that SAC must personally insure this case receives top priority handling by as many Special Agents as are necessary. As leads developed in other offices, similar telephonic instructions were given to the field offices involved and further that if coverage of a lead turned up additional leads in another office, the Bureau's instructions relative to handling were to be passed on. The telephonic instructions were subsequently confirmed in writing as shown below. U

By Personal Attention airtel dated June 20, 1972, to SACs, Washington Field Office, Atlanta, Alexandria, Baltimore, Boston, Kansas City, Houston, Miami, New York and Philadelphia, the following general instructions were set forth by FBIHQ: U

"This will confirm instructions to appropriate offices that all logical investigation is to receive immediate attention under the personal direction of SACs by as many SAs as are needed to insure absolute, thorough, immediate, imaginative investigation is conducted in this case. All leads are to be set out by telephone or teletype as appropriate. Bureau is to be aware of all leads." U

While the general instructions did not state that if necessary, manpower must be diverted from other areas, it is w REC-23 / 39 - 40 8 9

FROM

C. Bolz to Mr. Bates RE: JAMES WALTER MC CORD, JR.

noted that Washington Field did, in fact, divert manpower to this case from other investigative areas to insure immediate handling of leads.

In addition to the above general instructions, the June 20, 1972, airtel specifically instructed Philadelphia and Miami to expend all efforts necessary to trace the \$100 bills recovered from the subjects. By teletype dated June 20, 1972, FBIHQ instructed Washington Field, Miami and Philadelphia that investigation to identify money recovered from the subjects at the time of arrests must be pressed vigorously. The observation was made that it is most important that every effort be made to identify the eventual recipient of those funds.

By teletype dated June 20, 1972, to Miami, New York, Newark, Tampa, San Juan and Washington Field, it was emphasized that Bureau is conducting vigorous investigation to develop an Interception of Communications violation and to determine the reasons for this activity as well as other individuals who may be involved. These offices, which handle practically all high-level informants relative to Cuban matters, were instructed to immediately contact sources knowledgeable concerning Cuban activities to develop whatever information was available concerning the subjects, their associates and possible motives for the burglary.

By airtel dated June 22, 1972, to SACs Washington Field Office, New Haven, Miami, Kansas City and New York, the importance of this case was again emphasized in the following paragraph:

"It is again reiterated that all leads in this matter must be given the highest priority with sufficient personnel assigned to insure maximum effort in covering all leads."

Particular instructions in that airtel to New Haven were for that office to intensify and expedite efforts to develop full background information concerning Baldwin.

By teletype dated June 23, 1972, SACs Washington Field, Albany, Albuquerque, Alexandria, Atlanta, Baltimore, Birmingham, Boston, Charlotte, Chicago, Cincinnati, Cleveland, Dallas, Denver, Houston, Jacksonville, Kansas City, Los Angeles,

C. Bolz to Mr. Bater RE: JAMES WALTER MC COPD, JR.

Minmi, Minneaporis, Newark, New Haven, New York City, Norfolk, Chiladelphia, Pittsburgh, Richmond, San Antonio, San Francisco San Juan, Springfield and Tampa, ware instructed, among other things, the following:

"This case is to receive highest priority investigative attention."

### RELAY OF FEIHC INSTRUCTIONS TO OTHER FIELD OFFICES

As investigation in this matter was requested of auxiliary offices not previously in receipt of communications, the general FBIHQ instructions substantially identical to the above were set out as shown in the attached schedule of communications requesting the investigation. In those instances wherein only a portion of the language was used or the wording substantially differed from the original general instructions, the specific language is set out.

An analysis of the teletypes and airtels discloses 50 of the 51 field offices which conducted investigation were advised of the general instructions in writing. The Buffalo Office was orally advised of the general instructions by telephone on both June 23, 1972 and June 24, 1972, during its efforts to locate and interview Kenneth Dahlberg, which was the only investigation conducted by that office.

### AGENTS ASSIGNED AND MAN-HOURS USED

For the period from inception of the investigation on June 17, 1972, through close of business September 8, 1972, 333 Agents have been assigned to work on this case. For the same period, 14,098 man-hours have been utilized in this investigation.

With respect to the scope of communications submitted in this case, as of September 8, 1972, there have been 130 investigative reports totaling approximately 3,500 pages submitted. These reports have been disseminated to Assistant Attorney General Henry Petersen, Criminal Division, and to the U.S. Attorney

C. Bolz to Mr. Bates RE: JAMES WALTER MC CURP, JR.

Fachington, P. C., There have been approximately 750 teletypes and airtels received by FBIHQ concerning this case as of September 3, 1972. [,

action: This is for information. The field has been instructed to submit by close of business September 12, 1972, information as to the number of leads which have been covered, the total number of persons who have been interviewed and the total number of persons who have been reinterviewed. That information will be submitted by separate memorandum as soon as it is received.

CHARLES ROBERT HARDIN, Raleigh, N. C., owner of Cessna 210 Number 5767-J advised he rented airplane to United Mobile Homes of America, Raleigh, N. C. Contacts with pilot ROBERT S. BLACKWELL, and WILLIAM BOONE TILLEY, all employees of United Mobile Homes of America for a sales meeting at Statesville, N. C. TOWNSEND subsequently received an envelope which he believed to contain passport data on United Mobile Homes employee DONALD P. BOYD which he delivered to unknown individual at Washington National Airport who was supposed to be connected with S. C. Senator STROM THURMOND's Office. DONALD P. BOYD interviewed and stated he had made arrangements through NELSON BROWN of Senator STROM THURMOND's Office to expedite his passport application in order that he and his wife could go to Burope in the place of a sales contest winner who was unable to make the trip. Records of USDC, Statesville, N. C., reflect that on 4/5/72, DONALD PALMER BOYD and JANICE DURHAM BOYD applied for U. S. passports and these applications were returned to the BOYDS, "in sealed envelopes for delivery to Senator STROM THURMOND." Doctor WILLIAM G. KATZENMEYER, Duke University, Durham, N. C., owner of Beechcraft aircraft reported he flew to Washington, D. C., on 4/6/72, in order that Doctor RICHARD S. RAY could make his business appointment

He then flew back to Raleigh-Durham Alsport where he picked up GORDON BLACKVELL and BOONE TILLEY, President and Compiroller respectively of United Mobile Homes of America. They then all flew to Statesville, North Carolina, for a regular sales meeting, arriving at approximately 11 A.K.

Prior to April 6, 1972, he learned that one of the United Mobile Homes of America employees was unable to take advantage of a free trip to Rome and this free trip for an employ and his wife was offered to another United Mobile Romes of America employee, DONALD BOYD, if NOYD could get a pasaport short notice. TO MSEND stated as he recalled it had been stated that BOYD got in touch with someone in South Caroline Senator STROM THURMOND's office and arrangements had been made for BOYD to obtain a passport for he and his wife expeditiously if the necessary passport information was gotten to Washington, D. C., immediately.

On the morning of April 6, 1972, TOWNSEND recalls GORDON BLACKWELL asking him it he had time that day to fly to Washington National Airport.

TOWNSEND stated he remained at the Statesville Airport for perhaps 15 minutes and as best he can recall, DONALD gave him a manilla envelope approximately 8 inches by 12 inches and also the name of a person for TOWNSEND to contact at the

Almost immediately, this individual appeared dressed in a business type suit. TOWNSEND stated this individual indicated he was from the Passport Office and thereafter TOWNSEND gave him the one envelope which he had been given as bost TOWNSEND can recall to him by BOYD. This individual stated he wished to check ever the papers to see if everything was signed properly and a minute or so later indicated that they were. As best BLACKWELL can recall, they arrived at the Statesville, North Carolina, Airport at approximately 11 A.M., April 6, 1972. ELACKWELL stated that the events are not completely clear in his mind, but he believes that DONALD P. BOYD, another United Mobile Homes of America, smployee, met them at the airport.

BLACKWELL stated two of their employees and their vives were given free trips to Rome, but at the last minute, MIKE RATES had to cancel his plans to go. Thereafter this ticket was made available to a United Hobile Homes employee who could get a passport expeditiously. Subsequently RAY ANDERSON, United Hobile Homes of America Vice President, Statesville, North Carolina, and who was going to Rome with his wife on one of these trips, contacted BLACKWELL and asked BLACKWELL if it were all right if DONALD BOYD took advantage of this trip to Rome. At that time BOYD was just a salesman. ANDERSON indicated that BOYD could expeditiously obtain a passport through a contact at Senator STROM THURHOND's Office. This conversation with ANDERSON took place about a week before the actual trip to Rome was to take place.

A short time later, AMDERSON contacted BLACKWELL and asked if BOB TOWNSEND, the company pilot, could fly the company plane to Washington, D. C., to take BOYD's passport information in order to enable BOYD to expeditiously receive a passport.

PLACFORIL stated he has no knowledge of what actually was in the envelope, but certainly assumes it pertained to passport applications for BOYD and his wife.

BLACKVELL stated that shortly thereafter TUWNSEND left the Statesville, North Carolina, Airport apparently going to Washington, D. C., and returned at approximately 3 P.M. that day whereafter he, TILLEY, and TAYLOR were flown to Booky Mount and Raleigh-Durham Airports.

BLACKWELL stated that after TOWNSEND returned at approximately 3 P.M., he recalls TOWNSEND mentioning that he was a little late in arriving at Washington, D.C., but did not further explain or elaborate.

BLACKWELL stated he actually did not know what was in the envelope given to TOWNSEND, but assumed it was information to do with BOYD's passports because several days later, BOYD received the passports and did make the trip to Rome with his wife.

THOMAS P. TAYLOR, 313 Nash Street, Enfield, North Carolina, advised he was the Sales Hanager for the United Mobile Powers of America, Incorporated, located at Route 301 By-Pass, Rocky Mount, Korth Carolina. He stated that on April 6, 1972, he was picked up at the Eccky Mount, North Carolina, Municipal Airport by ROBERT 75WNSMD, a pilot for United Mobile Edmes, and that TOWNSEND was the only person aboard at that time. He stated that he believed TOWNSEND flew in from the Raicigh-Durham Airport and they thereafter flew to Fayetteville, North Carolina, where they picked up HENRY BURNS and flew to Raleigh-Durham Airport and picked up GORDON BLACKWELL, BOONE TILLEY, and also believed that they picked up MORRIE RIGGS. They then flew to Statesville, North Carolina, where all deplaned except the pilot whom he understood flew to the National Airport in Washington, District of Columbia, to pick up a passport for DOW BOYD and his wife for a sales trip to Rome, Italy.

TAYLOR stated that TOWNSEND arrived back at Statesville, North Carolina, at approximately 3:30 P.M. or 4:00 P.M. and advised them that he had had trouble with the plane's door and he believed that TOWNSEND chartered another plane and flew the group back to Raleigh-Durham Airport, where he deplaned and Mr. MORRIE RIGGS, who was then Sales Hanager for Builded Mobile Homes, drove him in his personal car to Mr. residence in Enfield, North Carolina.

TAYLOR stated that he recalled they arrived in Statesville, North Carolina, that morning at approximately 11:00 A.M.

TAYLOR stated that he believed TOWNSEND picked up an application or some information for BOYD's passport in Statesville, North Carolina, from DON BOYD in person, who was then Sales Hanager for United Hobile Homes, Incorporated, in Conover, North Carolina. He stated that he did not observe any transaction take place and did not observe TOWNSEND depart the Statesville Airport.

RAYMOND ANDERSON, Vice President, United Modilate Romer of America, Incorporated, United States Highway 21 South; States Ville, North Caroling, Furnished the Tollowing Information.

TOWNSEND, to sither fly to Washington, D.C., the passport application for DON BOYD or possibly he requested TOWNSEND to return the completed passports to Statesville for BOYD. After thinking of this, he stated that he is more of the opinion he requested TOWNSEND to fly the applications to Washington, D.C. He believes TOWNSEND flow to Washington, D.C., the same day that TOWNSEND flow several company officials to Statesville, North Carolina, for a sales meeting. He believes TOWNSEND returned to Statesville from Washington, D.C., the same day in order to return the officials to their respective homes.

He then mentioned that he believed that DON BOID traveled to Charlotte, North Carolina, and put the passport applications on a plane for Washington, D.C. He then made the statement that he could not be sure of this but was still of the opinion that TOWNSEND took the applications to Washington D.C., in a company plane.

He noted that DON BOYD had made arrangements with NELSON BROWN, who is an aid of United States Senator STROM THURNDND at Washington, D.C., to obtain the passports on a short notice. BOYD was selected to make a trip to Rome, Italy, at company expense after another employee could not go, but BOYD in order to make this trip had to obtain a passport for himself and his wife on short notice.

BOYD was put in contact with NELSON BROWN by his brother's effice, STERLING MIDERSON, also an aid to United States Senator STROM THURFOND at Columbia, South Carolina.

He believes he obtained BOYD's completed passports at the Spartanburg, South Carolina, residence of his brother, STERLING ANDERSON, took the passports to his residence at

of America, Incorporated, United States Highway 21 South, Statesville, North Carolina, and furnished the following information:

He is presently employed as a salesman for United hobile Homes of America at Statesville, North Carelina. During the first part of April, 1972, he learned from his superiors at United Mobile Homes that he had been selected to take a trip to Roma, Italy, at Company expense, but he would have to obtain a passport on short notice. He had been selected to go on this trip as another company employee, originally scheduled to make the trip, was unable to go.

He called veveral individuals in an attend to obtain a passport on short notice. All persons he called were unable to help him.

At the suggestion of RAYMOND ANDERSON, Vice President of United Mobile Homes of America at Statesville, who was also to make this trip to Rome, Italy, with him, he called STERLING ANDERSON, RAYMOND ANDERSON's brother, who is an aid to United States Senator STROM THURMOND at Columbia, South Carolina. When he called for STERLING ANDERSON, he found ANDERSON was out and talked to ANDERSON's secretary, name unknown, who suggested that he call NELSON BROWN, who is also an aid to United States Senator STROM THURMOND at Washington, D.C. This unknown secretary suggested that BROWN might be able to help him to obtain a passport on short notice.

He telephonically contacted NELSON BROWN at Washington, D.C., and BROWN told him that he would be able to help him. BROWN gave him certain instructions to follow in order to obtain the passport. After making several telephone calls to BROWN, he planned to fly by Commercial Airliner to Washington, D.C., meet BROWN with the passport application, and other necessary papers, and then wait several hours for the passports to be completed and then return to North Carolina by Commercial Airplane.

He then noted that he could not recall amostly if he had reiled the passport applications to Washington, D.C., or exactly how the applications were sent to the Passport Office.

He then recalled that on the day he was to fly to Washington, D.C., with the applications, ROBERT TOWNSZND, a company pilot for United Mobile Homes of America, flew several company officials to Statesville for a sales meeting. He cannot recall if he, BOYD, asked TOWNSEND to fly the passport applications to Washington, D.C., or if RAYMOND ANDERSON, who was aware of his desire to obtain a passport expeditiously, had asked TOWNSEND to fly to Washington, D.C.

He and his wife, JANICE, had obtained the passport applications from the Clerk of United States District Court at Statesville, North Carolina. This Clerk had placed the applications for the passport and other necessary papers into separate sealed envelopes, one envelope containing BOYD's papers and the other envelope containing his wife's papers. This Clerk gave the two envelopes to him.

He noted that he could not recall exactly whether there were two envelopes or not, but his wife has told him that she believed there were two separate sealed envelopes furnished them by the Clerk at United States District Court. He did not open these envelopes and is sure that they contained only passport information.

After obtaining the sealed envelopes, he does not know how they were delivered to TOWNSEND and if they were se delivered. He could not recall exactly how the applications were forwarded to the Passport Office at Washington, D.C.

He then made the statement that he believed that ROBERT TOWNSEND, the company pilot, did fly the applications to Washington, D.C., where TOWNSEND gave the applications to NELSON BROWN of Senator STROM THURMOND's Office.

He recalled picking up the completed passports sometime later at the residence of RAYMOND ANDERSON at Statesville, North Carolina.

In attempting to fix a date when the neove occurred, he noted he took out a loan at the local bank on April 7, 1972, to pay for this trip to Rome. He did not take out this loan until he was sure that he could obtain passports for himself and his wife in time to make the trip.

He has never met NELSON BROWN and has only talked to him on the telephone.

BOYD apologized for not being able to recall all of the details of what happened regarding his obtaining of the passports for his trip to Rome, but he noted that sometime has passed since this occurred; and he was also very excited at the time about making the trip and also as he had just won a very highly sought-after company sales awards

He noted that he was "Lot'Manager" at United Mobile Homes at Hickory. North Carolina, at the time he obtained the above mentioned passports; but since that time, he has been "demoted" to the salesman position at the Statesville Office of United Mobile Homes.

He concluded by stating that he is still not sure exactly how he obtained the passports and does not know at this time whether TOWNSEND flew the applications to Washington, D.C., or whether TOWNSEND returned the completed passports to him at Statesville.

MARTIA RIVES, Deputy Wherk, United States District Clerk of Court's Office, Statesville, North Carolina, advised that her files reflect that on April 5. 1972, applications were made for a United States passport by JANICE DURHAM BOYD and DONALD PAIME. DOYD of Bouts 2, Box 46, Consver, North Carolina.

A notation in her record: reflects that she gave the BOYDs "in sealed envelopes for delivery to Senator THURMOND" the necessary passport applications and other related papers. She noted that her written notation reflects "envelopes" but she could not now recall specifically how many envelopes were involved due to the passage of time.

The envelopes she would have given the BOTDs would have been regular franked letter-size envelopes bearing the return address of the United States District Court at Statesville, North Carolina, and would have been addressed to the United States Department of State, Fassport Office at Washington, B.C. The envelopes would be white in colora and be approximately 4" by 8" in size.

She noted that no copies of passport applications are kept in her office.

MERCEDES DE CHAVEZ, 1418 Echo Park Avenue, los Angeles, California, was advised of the official identities of SAs RICHARD H. PASHLEY and HENRY J. FRATT. Due to her ability to speak only Spanish, SA PRATT explained to her in Spanish that SA PASHLEY would conduct the interview and he would interpret. The interview was conducted in her small apartment in the presence of her son and husband, both of whom are named JOAQUIN DE CHAVEZ.

She was shown photographs, including photographs of HOWARD HUNT and GOPPON LIDDY. She was unable to identify any of the photographs as being people she had ever seen before. She was asked if she recalled a period of about a week during which her employer, Mr. JACKSON, and his family, were out of the Los Angeles area for a trip. She advised that she recalled that the entire family did leave the JACKSON residence for about a week sometime in June of July 1972, but she could not recall the exact date. She was asked whether anyone stayed at the JACKSON residence during this period of time and she advised that no one other than herself stayed at the residence during that time. She was asked whether anyone visited the residence for any length of time during the time the JACKSON family was away and she advised that no one visited the residence.

The photographs of HOWARD HUNT and GORDON LIDDY were individually displayed to her and she was asked whether either of these individuals had been at the JACKSON residence, 9300 Beverly Crest Drive, Beverly Hills, California, during the time the JACKSON family was away and she advised that they had not. She was asked whether she was acquainted with Mr. JACKSON's secretary, and she advised that she knew Mr. JACKSON's secretary only as ESTHER. She was asked whether ESTHER visited the JACKSON residence during that week or so that the JACKSON family was gone and she advised that ESTHER did not visit the residence.

She was asked whether she could furnish any information which might have a bearing on the burglary of the National Democratic Headquarters in Washington, D. C., which occurred on June 17, 1972. She advised that she could not, and that she was not even aware of this incident.

KALMBACH stated that SEGRETTI agreed to the rinancial arrangement and that he believes SEGRETTI started his duties.

Again, KALMBACH denied any knowledge of the duties and functions that were performed by SEGRETTI. He again stated that his purpose was morely to act as a disbursing instrument for SEGRETTI's salaries, and he has no idea how SEGRETTI received his instructions or whom he reported to or what, in fact, he did do to earn his salary and expense money.

KALMBACH advised he paid SEGRETTI somewhere between \$30,000 to \$40,000 betweer September 1, 1971, and March 15, 1972. KALMBACH alleged that he maintained no records of the expenditures of SEGRETTI. KALMBACH recalls that on two occasions giving SEGRETTI expense money; one occasion the date unrecalled he gave SEGRETTI \$5,000 and subsequently \$20,000 to cover SEGRETTI's expenses. Again, KALMBACH denied any knowledge of what SEGRETTI was doing to justify these expenses nor earn his salary. KALMBACH stated he never received any written or verbal reports from SEGRETTI covering SEGRETTI's activities. KALMBACH advised when he did pay SEGRETTI, it was normally in cash; however, he does believe there was an occasional check written. KALMBACH advised he very rarely contacted SEGRETTI and that he believes he only met him personally on two occasions, the dates of which he could not recall.

KALMBACH was asked if he had any information pertaining to the burglary of the Democratic National Headquarters which occurred in Washington, D. C., on June 17, 1972. KALMBACH denied any knowledge of the incident and advised he was shocked and taken back by it; however, he could furnish no information to the actual burglary.

KALMBACH further advised that the name EVERETT HOWARD HUNT, ED WARREN and ED HAMILTON mean nothing to him. He did advise, however, that he realizes HOWARD HUNT is somehow involved in the "Water Gate Incident;" however, the only information he has pertaining to HUNT is what he read and heard in the media.

3 LA 139-306

With regard to SEURGE GORDON LIDDY, KALMBACH stated he has had limited contact with LIDDY and that LIDDY was the legal council for the Finance Committee to Re-Elect the President. KALMBACH advised that MAURICE STANS, Chairman of the Finance Committee to Re-Elect the President, advised KALMBACH that DIDDY had been retained as council with the Finance Committee. KALMBACH advised that he had dispatched LIDDY on one task for the Committee to Re-Elect the President and that was to contact the attorney for FOSTERAMC GOW, who was in Chicago, Illinois, and was donating an unspecified amount of stock in the American Hospital Supply Company to the Finance Committee to Re-Elect the President. KALMBACH felt, owing to the fact that stocks were being given in lieu of cash, that legal counsel should handle the transaction and consequently, LIDDY was selected to handle KALMBACH advised there was one other similar the task. transaction that took place on Omaha, Nebraska; however, he could not recall the date on this or the other occasion. However, KALMBACH maintained that all of these transactions occurred prior to the "April 7, 1972, Law."

KALMBACH was asked how much money was in this fund that he used to pay SEGRETTI and conduct polls and other activities. KALMBACH did not answer the question.

KALMBACH advised he had only one meeting with JAMES WALTER MC CORD, JR., and that was at the Headquarters for the Finance Committee to Re-Elect the President located at 1701 Pennsylvania Avenue, Suite 272, Washington, D. C., and spoke with a JEB MAGRUDER, wherein he advised MAGRUDER that he had made an appointment to speak with the investigating Agent and that he was going do so without the presence of an attorney.

MILLER went on to state he travels to Washington. D. C., approximately once every other week, at which time he goes to the Executive Offices of the White House and confers with a number of individuals concerning the 1972 Presidential election campaign. During this time, he alleges he meets with individuals and they discuss the election campaign; however, he has never discussed with anyone the burglary of the Democratic National Headquarters. further advised he never attends any of the social functions that public relations personnel normally attend. He stated he attempts to maintain a low profile while in Washington, D. C. MILLER was asked if this action is contrary to the normal functioning of public relation people, and he stated he could not answer for other people but that he prefers to keep a low profile and does not attend social functions in the Washington, D. C., area.

MILLER advised he was in Los Angeles and working out of his offices from January 7 to January 20, 1972.

MILLER advised he has no information pertaining to DONALD HENRY SEGRETTI. MILLER stated that it is a common practice of some of the major political parties to hire individuals to attend the opposition's parties rallies and gatherings in an effort to foster ideas that would embarase the opposition candidate or party. MILLER denied any knowledge of this being done by the Committee to Re-Elect the President. He further advised he knows of no individuals that would go in an attempt to solicit monies from private individuals to support such ventures.

MILLER stated he has never solicited campaign contributions from anyone nor has he supplied any names to the finance committee to re-elect the President.

MILLER stated after giving it some thought, he may have met with GEORGE GORDON LIDDY on two occasions at the Committee to Re-Elect the President Headquarters in Washington, D. C., but both instances had to do with the previously mentioned GREEN hiring matter.

MILLER stated he knew no one by the name of MORTON BARROWS JACKSON or TONY JACKSON. He further advised he knew a number of lawyers in the Century City area that had political connections back in Washington and who travel to Washington; however, he never heard of TONY JACKSON.

MILLER again related he has no information pertaining to the burglary of the Democratic National Headquarters or to any of the subjects; however, he stated if by chance he does hear of some information that can be construed as being meaningful in this investigation, he will immediately contact SA O'NEILL and make this information known to him.
